Authorization for Payment of Fees - Electronic Bank Draft or Credit/Debit Card

I authorize King's Grant Golf Club and the financial institution or credit card company named above to deduct the amount of my monthly fee from the account identified above. I understand my automatic payment will be deducted on the first day of each month. (except in the case of yearly payments) Changes in bank account or credit card information must be submitted by completing a new Membership application form and filling out the payment information section. Changes must be received by the 15th day of the month prior in order to be processed for next month's payment. Cancelling a bank draft or credit card does not cancel a membership. In the event that a bank draft is revoked or an account is closed and new bank or credit card information is not received, the membership will be transferred to the "annual payment" option and the remaining amount due under the terms of the Contract will be owed. Account balances due to the Club shall be payable no later than 15 days following the statement date. If any payment is not received within 90 days of the due date, the applicant hereby authorizes the Club to charge the amount due, plus any applicable fees or penalties, to the credit card listed on the account. Early termination will only be accepted in the event of a member who passes away or a member who has accepted a military assignment out of the area. **A \$30.00 return fee will be charged for each returned bank draft or declined credit card (i.e. Revocations, Closed Accounts, & Non-Sufficient Funds).**
